

JOSHUA SURYA ANANTA SITANGGANG

Fullstack Developer

Medan, Indonesia | +62-857-1727-0040 | joshua.sitanggang@gmail.com | [LinkedIn](#) | [Resume Website](#)

SUMMARY

High-performing Fullstack Developer with 5+ years of experience engineering scalable web applications using React, TypeScript, Laravel, and Node.js. Proven expertise in optimizing API performance, automating QA pipelines, and leading product strategy in Agile environments. Skilled at bridging technical execution with business growth to deliver high-converting, user-centric digital products.

WORK EXPERIENCE

Fullstack Developer, PT Super Andalas Steel

Aug 2026 – Present

- Architected scalable web platforms using React, TypeScript, Laravel, and Tailwind CSS.
- Engineered RESTful APIs and database structures to streamline core business operations.

Product Owner, RCTI+

Oct 2024 – Mar 2026

- Spearheaded end-to-end product roadmaps and backlog prioritization within fast-paced Agile/Scrum sprints.
- Cross-functionally aligned engineering and design teams to launch high-impact features and boost feature adoption.
- Leveraged analytics to optimize user engagement, feature performance, and product positioning.

Quality Assurance Engineer, DANA Indonesia

Jan 2024 – Aug 2024

- Executed end-to-end functional and regression testing across mobile platforms to guarantee 99%+ release stability.
- Designed comprehensive automated test suites using Selenium to accelerate release cycles.
- Partnered directly with developers to debug, isolate, and resolve high-priority software defects.

Software Developer (Web), DANA Indonesia

Sep 2019 – Dec 2023

- Engineered high-availability web application features serving millions of users using React.js and Node.js.
- Seamlessly integrated complex REST APIs, driving faster load times and enhanced application responsiveness.
- Collaborated in high-velocity Agile sprints to deliver clean, scalable, and maintainable codebases.

EDUCATION

Bachelor of Engineering in Informatics

Sep 2015 – Sep 2019

Del Institute of Technology | North Sumatra, Indonesia.

- Final GPA: 2.88
